Service
Solutions**

WE'RE PASSIONATE ABOUT QUALITY SERVICE.

At HealthTronics, providing innovative medical systems and solutions aren't the only things we are passionate about. Our team of specialists is equally committed to delivering quality service that exceeds your expectations. We stand behind this commitment with an extensive network of dedicated professionals and the resources you need to operate successfully.

The HealthTronics Service Team consists of highly skilled technical professionals, a state-of-the-art logistics center, and a fully staffed call center, with experts who are always ready and available to help you with real-time assistance.

Some Of The Benefits Our HealthTronics Service Team Provides Are:

- Coast-to-Coast Network Of Field Service Engineers
- 24/7 Dispatch At 877-367-4873
- Inventory & Logistics
- Repair Center & Parts
- Manufacturing & Product Support

INSTALLATION BASE

With an installation base of over 600 systems and a large network of Field Service Engineers, you can count on fast, efficient responses from our team of experts. No matter who is the manufacturer, we can service it.

Our Expertise Includes:

- Cryotherapy Devices
- Lithotripters
- Lasers
- Imaging Equipment

FIELD SERVICE

If Technical Support is unable to resolve your service issue, our call center will dispatch a Field Service Engineer to your facility promptly, thoroughly briefed on your problem with a recommended course of action. Our engineers have years of experience in maintaining sophisticated medical equipment and participate in ongoing, comprehensive training programs.

The HealthTronics Advantage Includes:

- Full-range of Service Capabilities
- Highly Trained & Qualified Engineers
- Competitive Pricing
- Flexible Options
- Guaranteed Response Time
